MAKE READING A FAMILY AFFAIR

Did you know? Recent studies indicate that reading over the summer can not only help maintain, but actually increase, reading skills!

This summer we invite you to join the Moffat Library in promoting reading for the whole family. We offer programs and activities for children, teens, and adults.

Using our online program, parents have the ability to create linked accounts for all members of their family. For assistance with linking accounts, please contact Emily (ekinney@rcls.org) or Matt (mthorenz@rcls.org).

The 2017 Summer Reading Program is a free noncompetitive program for all ages that will encourage the enjoyment of books and libraries all summer long.
