

My name is **Abigail Peterson** and I am excited to be running for a position on the Moffat Library Board of Trustees.

I moved to Washingtonville in 2003 with my husband. We have two beautiful children that attend the Washingtonville School District. My daughter is a freshman at Washingtonville High School and enjoys spending time being a musician and an honor roll student. She was also honored to be a Moffat Library Champion recipient a few years ago. My son attends the Washingtonville Middle School and is also a musician and an honor roll student! I've been bringing them both to the Moffat Library since they were babies and they have loved growing

up with the Moffat Library. They have enjoyed all the programs and activities our library continues to offer. My daughter also is a member on Moffat's Teen Advisory Board. My son hopes to join in the near future.

When the library flooded, I volunteered to help pack up all the books and valuable library materials. Not too long after the library moved into its temporary location in Campbell Hall, I became a part time circulation employee, where I worked for about 5 years. I was fortunate to get to know many members of the community and help them with their needs when they visited the library. The Moffat Library has a great group of employees who care deeply about their patrons, and I was lucky to be one of them. You may also have seen my kids and I holding our annual Alex's Lemonade Stand in Washingtonville. This summer we will be holding our 10th Stand at the Moffat Library, which has proudly supported our event for many years!

About a year ago, I decided it was time for me to pursue other dreams and opportunities for myself and my family. I now work at a high school and love contributing to the growth and development of the young people that surround me.

I feel I would be a great addition to the library board contributing my views and ideas to make the library even better as it grows with our community. I like to give back to my community and feel this is another way I can do so.

I love our library and all that it has to offer people of all ages and backgrounds. There is truly something for everyone there.

Thank you!

Sincerely,

*Abigail Peterson*
