

JAMES CASAZZA

BIOGRAPHY

I am a current Trustee seeking reelection to a new term. I am a resident of Blooming Grove and have served as a trustee for over 15 years. I have participated in many Board committees, most significantly the building committee which worked to develop and bring to completion the renewal of the wonderful Moffat Library. I seek reelection so that I can participate in the completion of this project, as well as to get the library open and serving the community after this pandemic is controlled. I look forward to being able to continue to serve the Library community.

I reside in Blooming Grove and until my retirement in 2017, conducted my law practice in Washingtonville. I am married to Dr. Sharen Casazza, a native of Washingtonville and the founder of Washingtonville Pediatrics. We have three children who were raised in Washingtonville and who attended Washingtonville Schools.

In addition to my service with the Library, I also served for several terms on the Washingtonville Board of Education.

I thank you in advance for your support in this election.
