Moffat Library of Washingtonville
Temporary Safety Practices Policy

The Moffat Library of Washingtonville is committed to serving its community during good times and hard times. The year 2020 has brought unprecedented challenges to our nation, state, and area of service. To continue serving our patrons during this difficult time, while placing the health and safety of our community at the forefront, the Library Board of Trustees has adopted this Temporary Safety Practices Policy as an addendum to the existing Rules of Behavior For Use of Library Facilities Policy (last updated 7/2/19).

The Board of Trustees’ authority to adopt these measures is found in our charter, bylaws, New York Education Law Sections 255, 260, 226, 8 NYCRR 90.2, and Article 2 of the not-for-profit corporation law. We also consider it our duty to develop these measures to keep our services accessible at this time.

Moffat Library staff members have the authority to enforce these measures like any other of the Library’s rules. Concerns about this policy should be directed to the library director.

Thank you for honoring these measures, which are designed to keep our community safe, while allowing access to the library.

The term ‘direct threat’ means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures, or by the provision of auxiliary aids or services.”
