FOR TEENS

Teen Maker Mondays (for teens entering grades 6-12)
Mondays @ 3 – 4 pm (in-person) on July 3rd, 10th, 17th & 24th

7/3 - Herb Garden: We will plant a variety of herbs in recycled containers and then be able to watch their growth process throughout the month.

7/10 - Butterfly Pencils and Notebooks: We will decorate notebooks and make butterfly pencil toppers. You can use them as field notebooks to track observations in nature, or however you'd like.

7/17 - Guinness Book of World Records Challenge: Come see if you have what it takes to break the record for: ***Most sticky notes stuck on the face in one minute!*** We will have all the supplies you need: sticky notes, a stop watch, and inspiration!

7/24 - Herb Garden Harvest: Our seeds have grown! Time to snip and bag them to share with others. We will also chop them up and make dip for chips and veggies. Yum!
